

Curly Locks

Trace the curls on each head to get the "feel" of cursive writing.

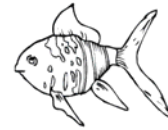

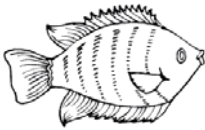

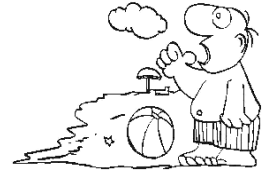

Curly Locks

Trace the curls on each head to get the "feel" of cursive writing.

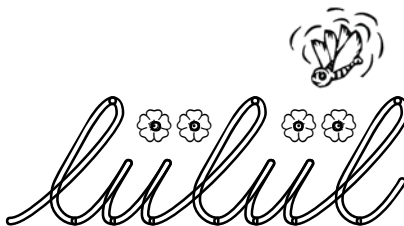

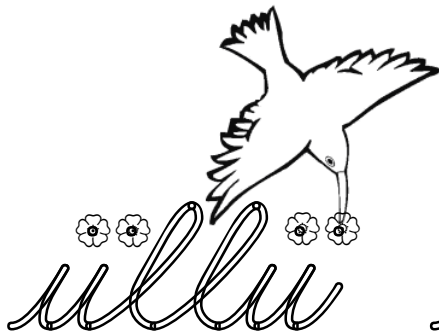

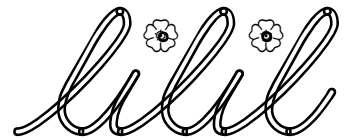

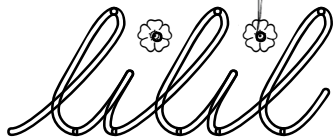

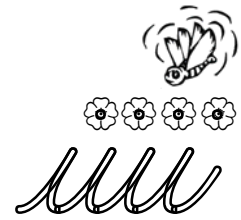

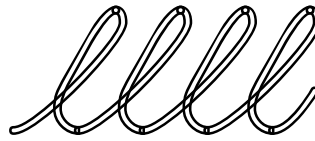

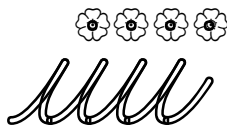

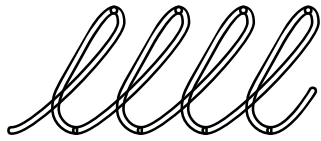

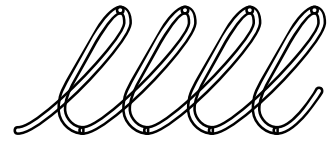

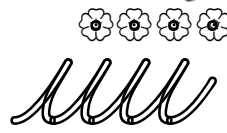

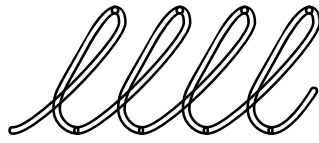

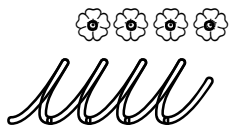

Ocean Waves

Trace the waves to get the "feel" of cursive writing.

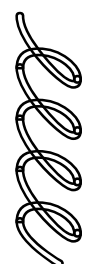

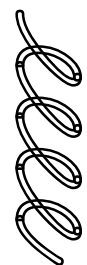

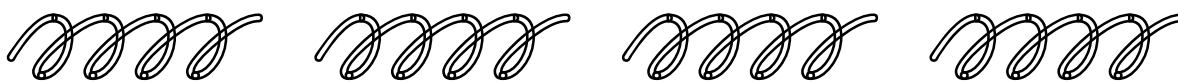

Flower Garden

Trace the flower stems and tall grass, and put a dot in the center of each flower.

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

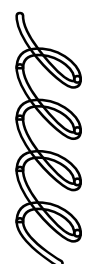

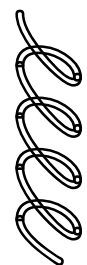

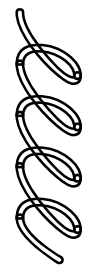

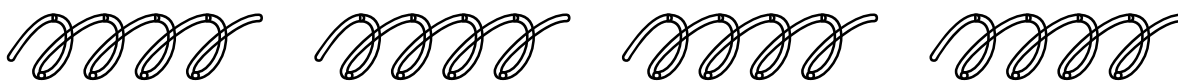

Three animals are in the barnyard.

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

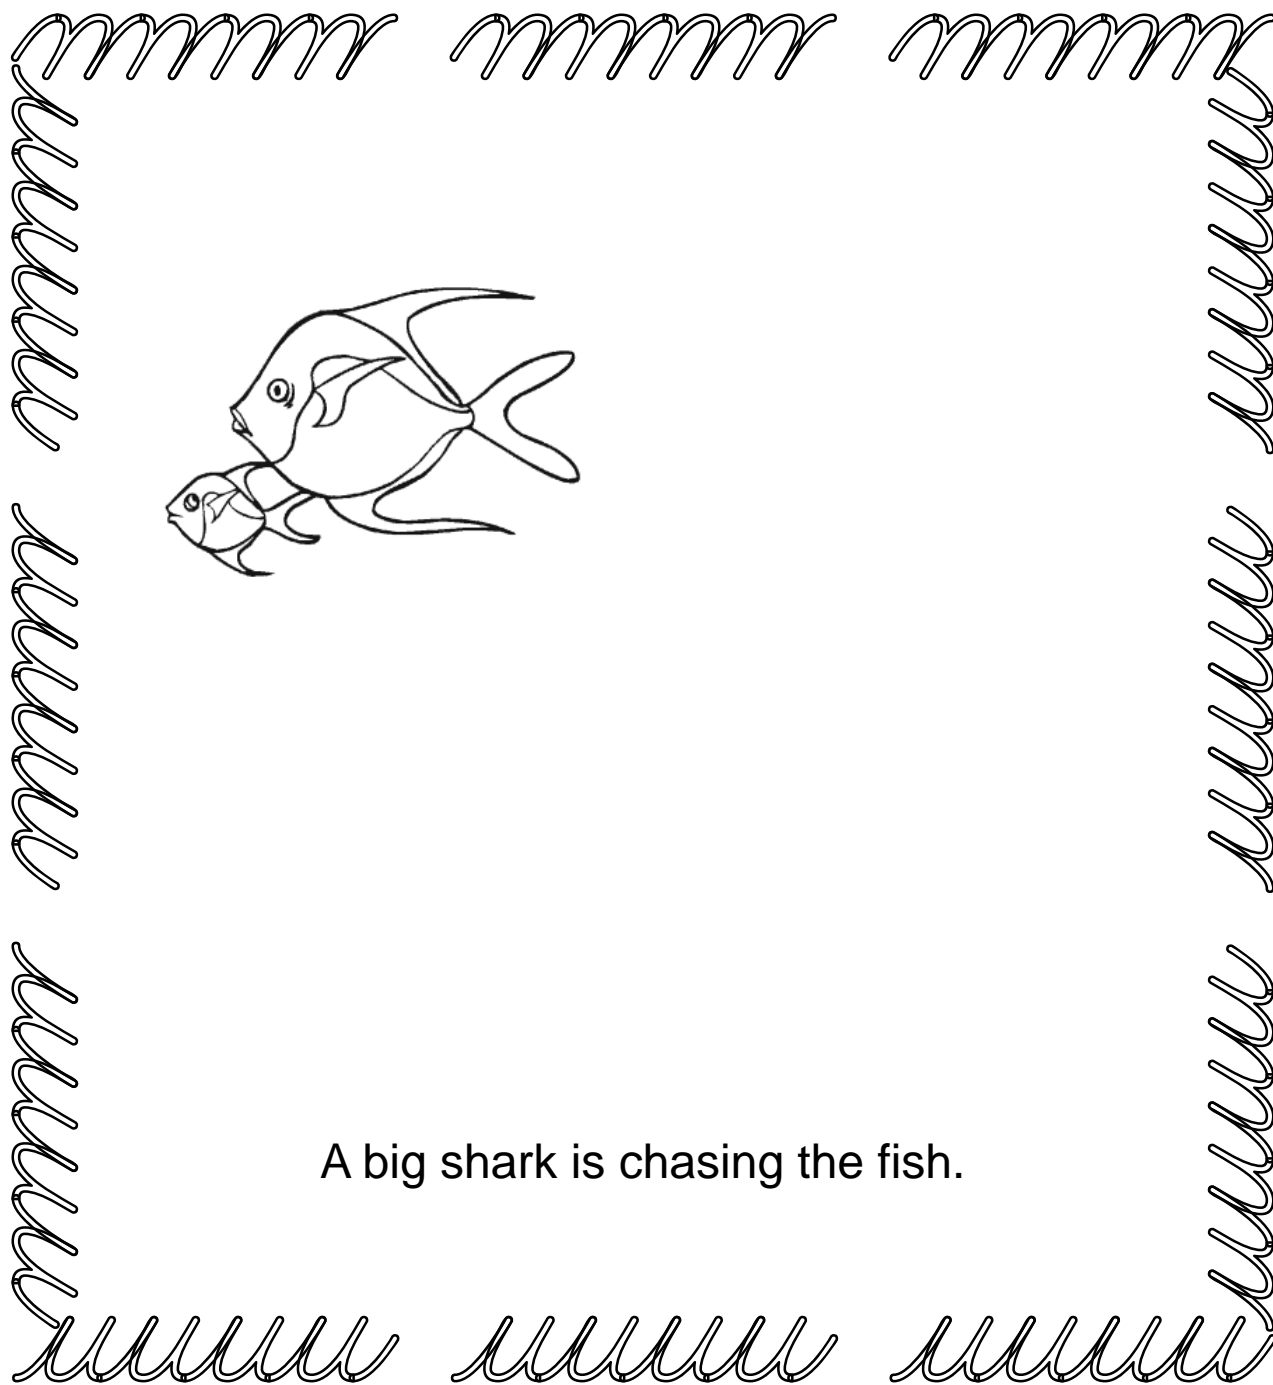

The cat sees four mice to catch.

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

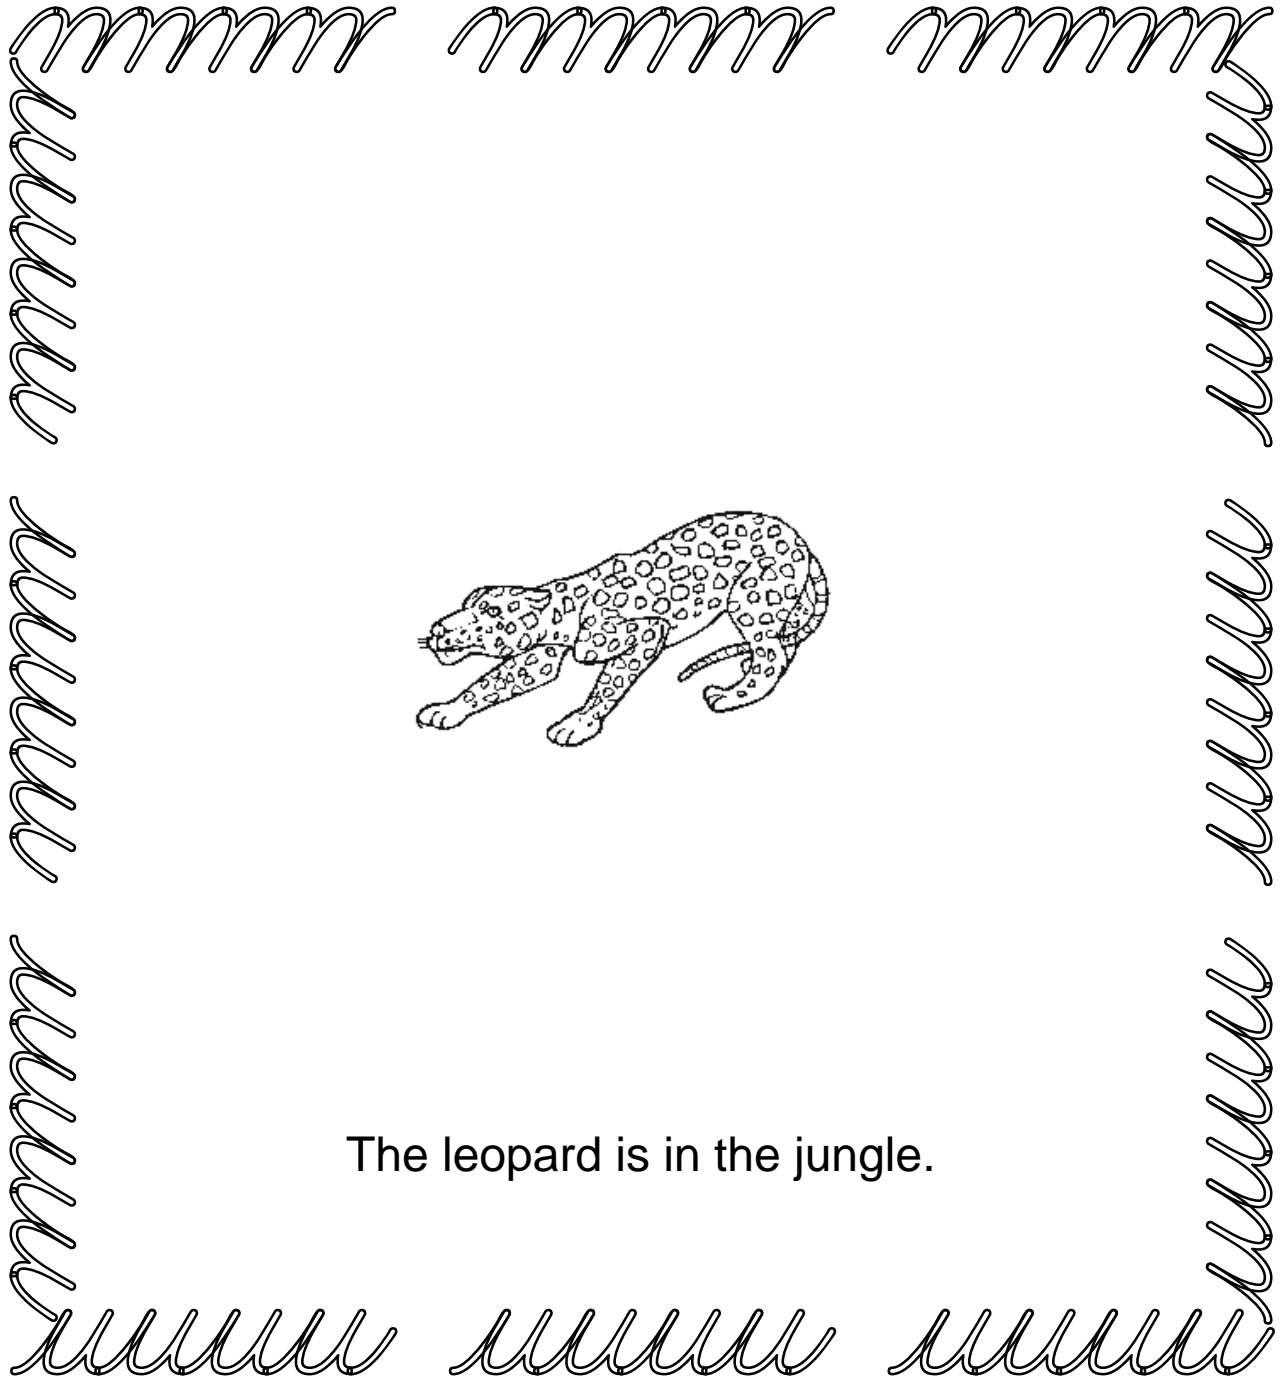

A big shark is chasing the fish.

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

Tracing practice for the cursive letter 'm' is provided around the perimeter of the frame. The top edge features five 'm' characters, each with four dots below it. The right edge features five 'm' characters, each with four dots to its left. The bottom edge features five 'm' characters, each with four dots above it. The left edge features five 'm' characters, each with four dots to its right.

The spider has a fly in its web.

Frame It!

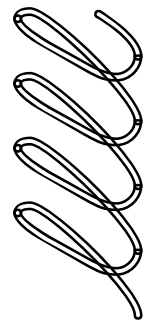

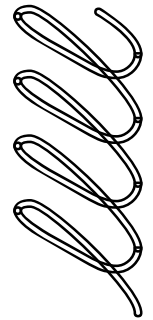

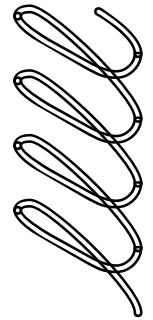

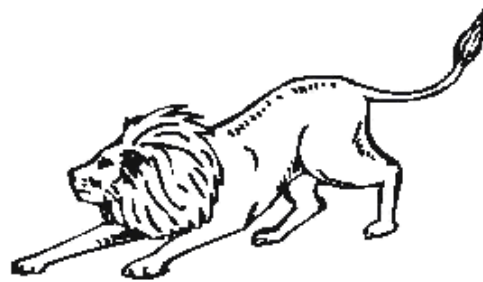

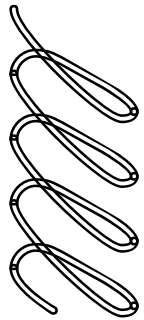

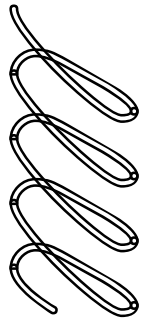

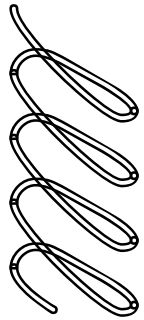

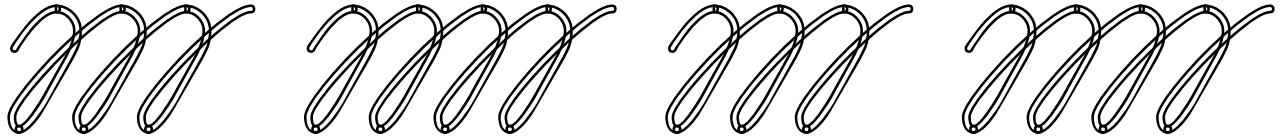

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

Tracing practice for the cursive letter 'm'. The page features a large rectangular frame made of cursive 'm's. Inside the frame, at the top, are five cursive 'm's for tracing, each with four dots below it. At the bottom, there are five more cursive 'm's for tracing, each with four dots above it. On the left and right sides, there are vertical columns of cursive 'm's for tracing, each with a series of dots next to it. In the center of the frame is a drawing of a salamander. Below the salamander, the sentence "The salamander is on a rock by a stream." is written in a simple font.

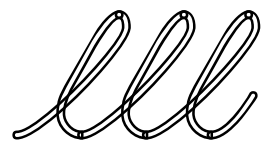

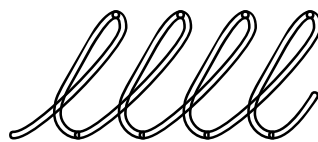

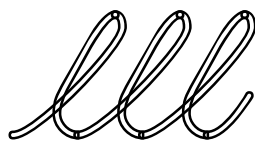

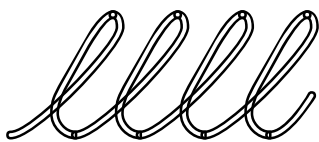

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

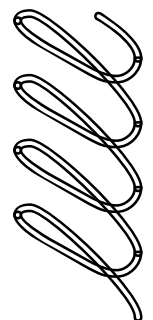

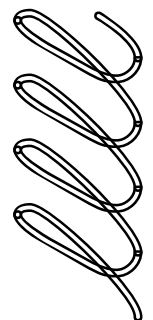

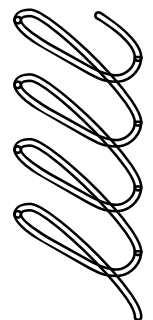

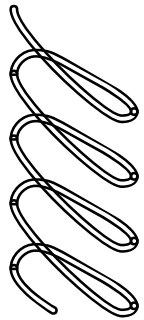

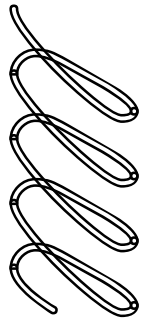

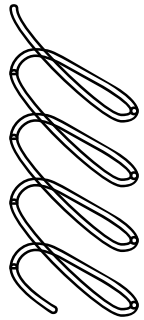

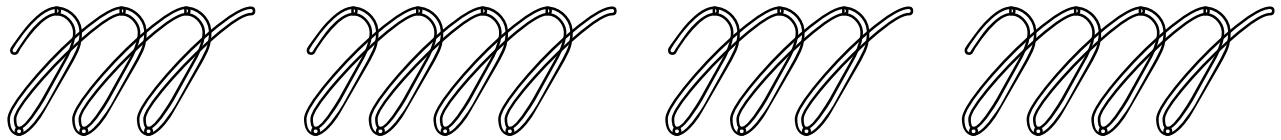

The lion is stalking his prey.

Frame It!

Trace the bottom of the frame, then turn the page so that the figure in the center is facing away from you, and trace the right side of the frame. Turn it again so that the picture is upside down, and trace the top of the frame. Turn it one more time to trace the left side. Finally, draw in more of the picture to go with the sentence inside the frame. Decorate it, and show it off!

Mother mouse has returned home.
