

Cursive A - Practice Worksheet

Trace the grey letters, copy the black ones, then write A and a on your own.

A large cursive uppercase 'A' and lowercase 'a' are shown on a three-line grid. The uppercase 'A' starts at the baseline, curves up to the midline, and then curves back down to the baseline. The lowercase 'a' starts at the baseline, curves up to the midline, and then curves back down to the baseline.

UPPERCASE A / LOWERCASE a

How to write the lowercase a

Curve up to the midline, swing around to close a small oval, retrace down to the baseline and exit to the right.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.
