

Cursive H - Practice Worksheet

Trace the grey letters, copy the black ones, then write H and h on your own.

UPPERCASE H / LOWERCASE h

How to write the lowercase h

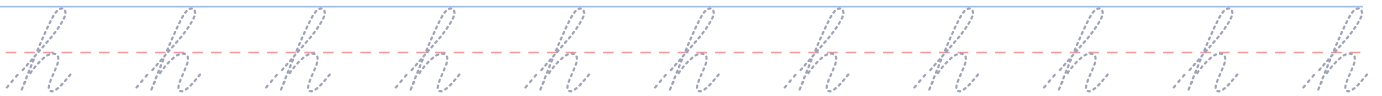

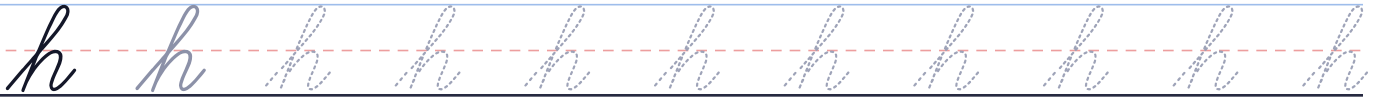

Loop up to the top line, come down to the baseline, overcurve up to the midline for the hump, and exit.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.

1. TRACE THE UPPERCASE H

2. TRACE THE LOWERCASE h
