

Cursive J - Practice Worksheet

Trace the grey letters, copy the black ones, then write J and j on your own.

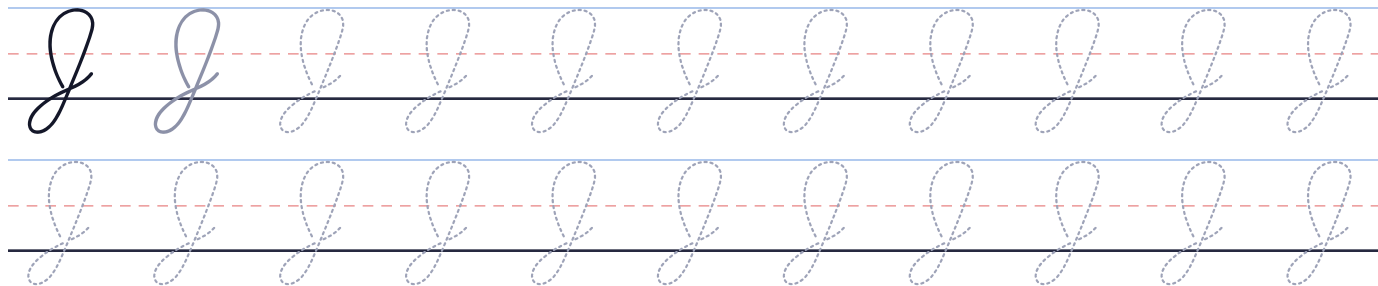

How to write the lowercase j

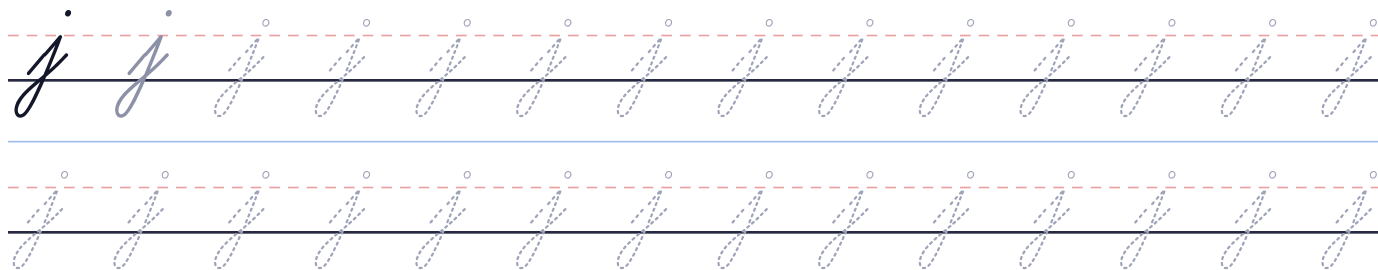

Swing up to the midline, go down below the baseline, loop to the left, cross on the baseline and exit. Dot it last.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.

1. TRACE THE UPPERCASE J

2. TRACE THE LOWERCASE J

3. TRACE AND COPY WORDS WITH J

4. WRITE J J AND YOUR WORDS ON YOUR OWN

Four sets of blank three-line grids (top solid, middle dashed, bottom solid) for independent practice of writing cursive J and j, and words containing J.
