

Cursive K - Practice Worksheet

Trace the grey letters, copy the black ones, then write K and k on your own.

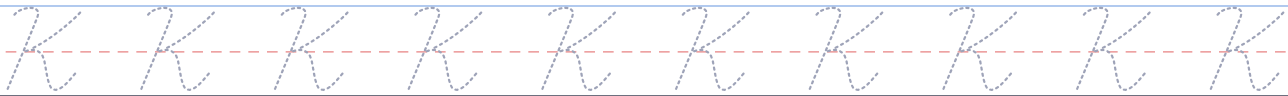

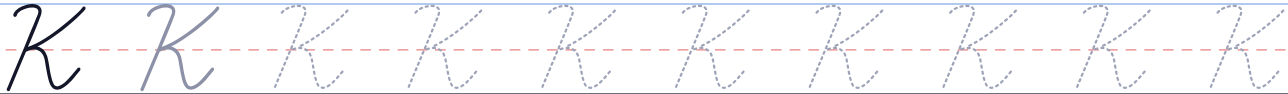

UPPERCASE K / LOWERCASE k

How to write the lowercase k

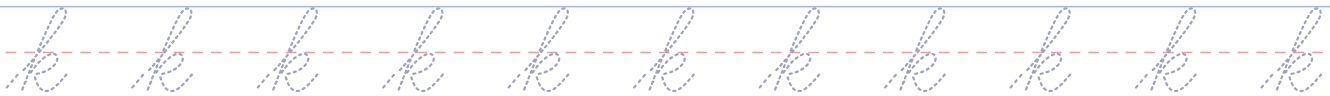

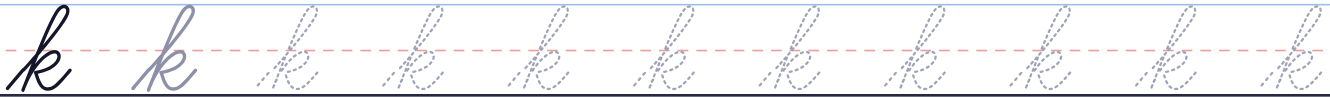

Loop up to the top line, come down, overcurve to the midline into a tiny loop, kick out to the baseline and exit.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.

1. TRACE THE UPPERCASE K
