

Cursive S - Practice Worksheet

Trace the grey letters, copy the black ones, then write S and s on your own.

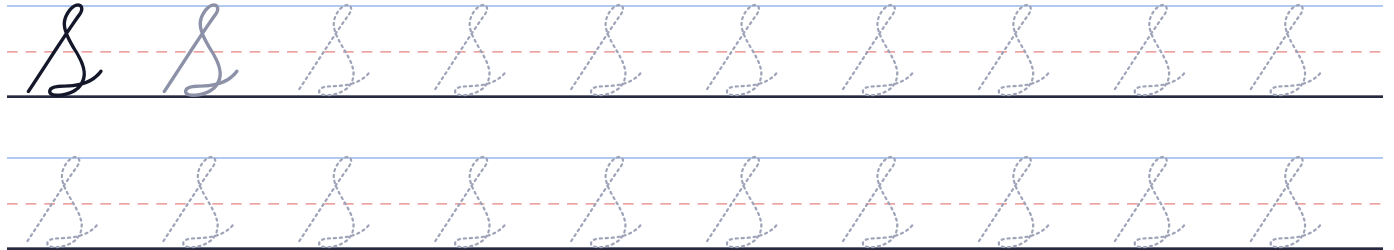

UPPERCASE S / LOWERCASE s

How to write the lowercase s

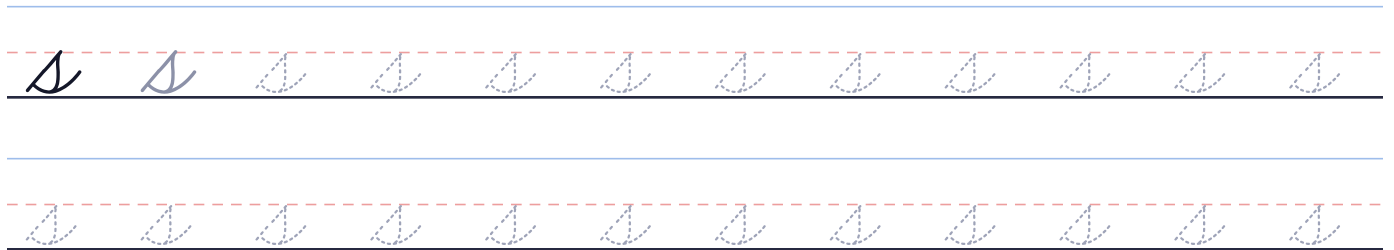

Swing up to the midline, curve back down and around to close a small loop on the baseline, then exit.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.

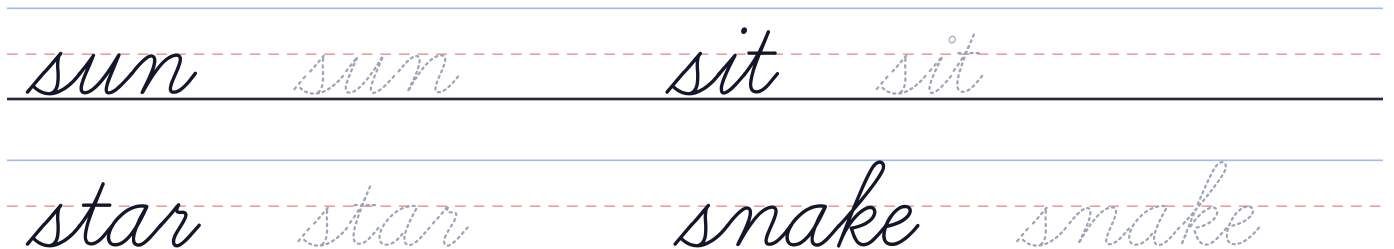

1. TRACE THE UPPERCASE S

2. TRACE THE LOWERCASE S

3. TRACE AND COPY WORDS WITH S

4. WRITE S S AND YOUR WORDS ON YOUR OWN

Four sets of empty handwriting lines (top blue, middle dashed red, bottom black) for independent practice of writing the letter 'S' and words containing 'S'.
