

Cursive X - Practice Worksheet

Trace the grey letters, copy the black ones, then write X and x on your own.

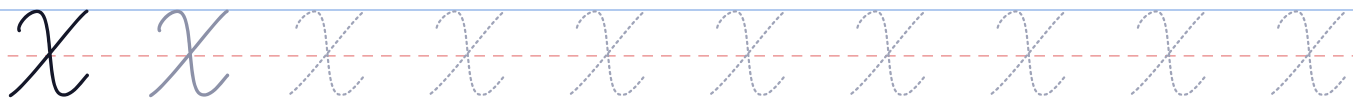

UPPERCASE X / LOWERCASE x

How to write the lowercase x

Overcurve to the midline, slant down to the baseline and exit. Cross it with a separate stroke after the word.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.

1. TRACE THE UPPERCASE X

2. TRACE THE LOWERCASE x

3. TRACE AND COPY WORDS WITH X

4. WRITE X X AND YOUR WORDS ON YOUR OWN
