

Cursive Y - Practice Worksheet

Trace the grey letters, copy the black ones, then write Y and y on your own.

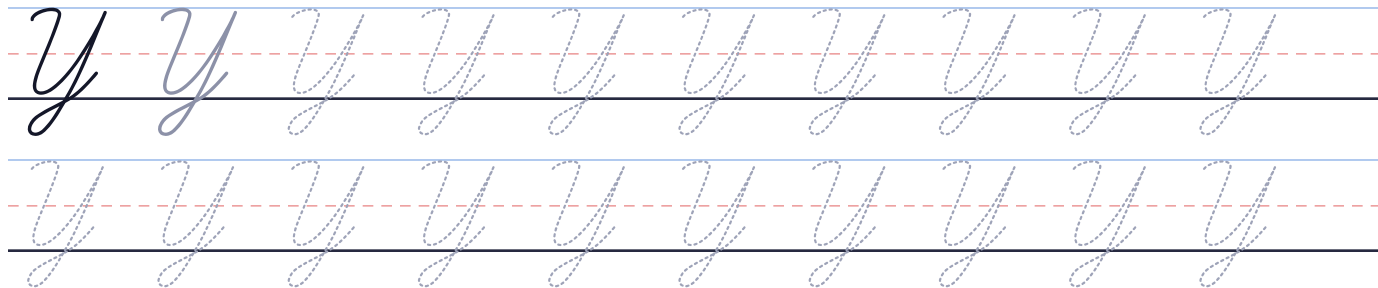

How to write the lowercase y

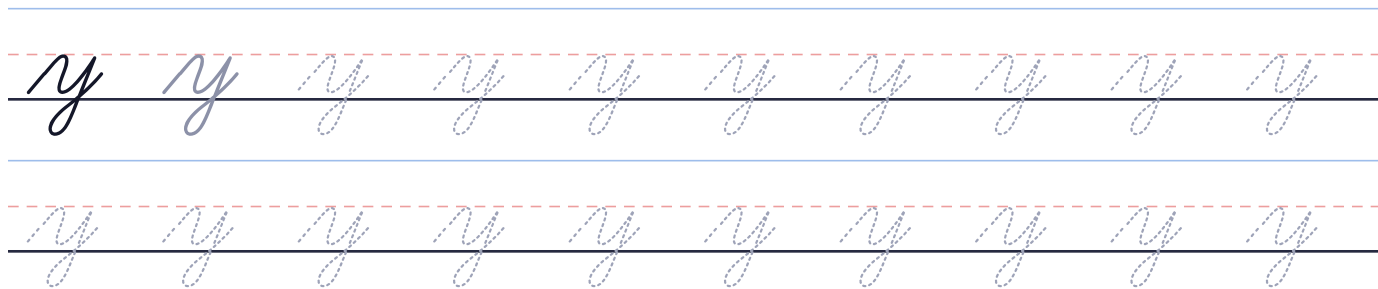

Overcurve to the midline, down, up again, then straight down below the baseline, loop to the left and cross on the baseline.

Tip Keep the pencil on the paper for the whole letter. Dots and crosses come after the word is finished.

1. TRACE THE UPPERCASE Y

2. TRACE THE LOWERCASE Y

3. TRACE AND COPY WORDS WITH Y

4. WRITE Y Y AND YOUR WORDS ON YOUR OWN

Four sets of blank handwriting lines (top solid, middle dashed, bottom solid) for independent practice.
